SPECIAL FOR BRIEF LEAVENING

The flour has an excellent holding power of leavening up to three days - stored in a fridge at 4°C - and is suitable for the production of classic pizza base; it can also be used with fallen dough and for refreshing dry pre-kneads or liquid pre-kneads.

Ideal for manufacture until 10 hours of leavening at 18°C.

SPECIAL FLOUR FOR PIZZA TIPO 00

Obtained from the grinding and consequent sifting of the soft wheat purified from foreign substances and impurities. The flour only comes from healthy cereals, which are cleaned by traditional washing with relevant plant softening water in compliance with environment norms. Flour does not contain foreign substances to wheat and it has not suffered artificial bleaching or similar treatments.

It does not contain additives and technological auxiliaries of any kind.

In compliance with the Italian current law and in particular to the law 4/07/1967 n.580 and further amendments
